Not Only Trim Them 16-6, But Knock Out Knaupp and Allen, Two of Dobbs' Reguars-Tribe Hits Hard.

BY WILL HAMILTON. NEW ORLEANS, La., Aug. 5.—
Mr. Dobbs, Mr. Heinemann and the
faithful will now turn in their
anguish to the two well-known
wheezes of ancient origin about
trouble never coming singly and
it never rains runs against the
home team lessen it pours broken
fingers and sprained ankles. Dobbs,
Heinemann and the Pels wouldn't
have cared a whole lot if it simply
rained runs, for it doesn't matter
how many runs a game is lost by,
once it is lost, and sometimes its
a fine thing for a team to get a
bad game out of its system. Everybody admits that he and everybody
else was rotten and that was all
there was to it. No alibis, no
grouches to nurse, no hard luck
to curse.

Knaudd Is Injured.

Knaupp is Injured.

But when a fellow like Knaupp gets a damaged digit and a fellow like Allengets a bad ankle on the same day it looks very much as if fate is sort of rubbing it in, especially if it comes at the very time when the team is making its big drive for the pennant.

All this happened Wednesday, First, Tom Phillips, who has pitched sterling ball of late, gets off on the wrong foot and that seems to throw the whole works out of gear. Such a wierdness follows, You'd not have believed what happened unless you saw it. Joe Sewell, the surest little scholar in the business, begins to boot 'em and peg' em, while the Chicks get away in front by laying on the wood and profiting immensely by every little bobble. Other accidents besides Phillips' reversal of form begin to bappen. Knaupp drops out with a bloody finger. Allen leaves to nurse his bad 'leg. Allison goes to right and Ripperton comes in to second. Torkelson pitches one inning and then goes to left, and Duffy is sent into the box to make bis debut. Rip throws one bad and boots another. Allelson drops a line drive. Then Larry Gilbert drops a fly. That's saying enough. You know that things are wrong side out ghd topsy-turvy to boot when Gilbert drops a fly.

The Worst Ever. Knaupp is Injured.

### The Worst Ever.

So John began to-do some tall figur So John began to do some tall figur-ing with a view to conserving some strength for the remaining games. Knaupp was willing enough to remain in with that bleeding finger, but Dobbs ordered him out. And he refused to waste Torkelson any further. The sit-uation gave him a good chance to use Duffy and Allison, who have hung around here for about a month with-out setting into action.

around here for about a month without getting into action.

It was a wise move, for both Phillips and Torkelson will be as good as brand new for any other game of this series. And the use of Duffy may have convinced Dobbs that he is really richer in ball players than he thought he was for Duffy showed something. He couldn't stop the Chicks, but don't hold that against him. He did as well as most any pitcher could have done under the circumstances. He can pitch, he can hit and he can run. One of the four three-baggers hit during the afternoon was his.

Largest Number of Runs.

of runs and hits that has been registered against the Pelicans this season, 16 runs, eighteen hits for 25 bases.

Frierson hit two triples and a single McLarry got five singles in six times up. Griffin busted a single and a triple and hit another with whiskers on it. There were a lot of high bounds in front of fleiders, but those were because the old ball had the wood behind it. When the Chicks were here before they looked to your humble servant like the best ball club in the league. We had hoped they quit looking that way.

### **FAVORITES DELIVER AT** FORT MIAMI TRACK

TOLEDO, O.. Aug. 5.—Three of the four favorites of the Grand circuit card came through winners yesterday at the Fogt Mami track, but some thilling finishes marked most of the races.

Royal Palm, winner at Kalamazoo two weeks ago, took the Toledo Blade 2:14 trot for a purse of \$3,000, the feature race of the day, in stright heats, while Favonian won the Legal News stake for two-year-old trotters, after Bogalusa came through in the first heat All of the three heats were trotted by the juveniles in less than 2:10, making it the fastest race of the season for colts of that age.

Brether Peter, one of the members of the Peter the Great family, and a rank outsider among the talent, won his first race on the Grand circuit when Walter Cox piloted him to victory in the 2:10 trot. In the third heat, Brother Peter choked, siaggered to the edge of the track and foll over, while Miss Perfection, a contender in the previous miles, came through the stretch an easy winner.

George Volo, the favorite, won the 2:09 pace, but J. W. S. the pacing pony, raced over half-mile tracks last summer, came on and won the second heat for his new owner, Hugh McNichols, who bought him during the week and gave Nat Ray the mount.

CHICAGO, Aug. 8.—Three hundred odd entries in the Western open golf champlonship today swung into play, on the final 36 holes with nearly a score of contestants so closely bunched that it appeared to be almost anybody's tournament. Five of the players made scores on the first 36 holes yesterday ranging from 145 to 150 and 17 were in the circle stopped by 155.

Jock Hutchison, Chicago pro, had the lead at the start today with a record of 145 strokes for 36 holes yesterday, but was closely pushed by several other stars.

but was closely pushed by several other stars.

The matches today drew a good gallery, the play of W. C. Creavy, of Kansus City, being especially watched. Creavy was one of the sensations of yesterday's play, for the Kansas Cittan, an almost unheard-of player in this section, turned in cards of 73 for each of the 18-hole courses and ranked second to Hutchinson in the final standing for the day.

James Barries, of St. Louis, was closely watched at the start of today's play, for the present title holder stood in a tie for seventh place and faced a handicap of six strokes when he teed off this morning. His wonderful work yesterday afternoon when he broke the Number 2 course record with a 68 after taking 83 in the morning round on Number 1 course indicated, however, that he had struck his stride and was one of the most dangerous of contenders.

## Many Southern Leaguers Going To Major Leagues

Practically Every Club in Dixie Major Has One Or More Candidates for the Big Show This Fall-Gossip of the Diamond and Ring.

By Bob Pigue.

ITH THE WANE of the 1920 baseball season (ans are beginning to figure upon what players in the Southern league are going to get a trial under the big top of the major leagues next season. Practically every club in the Dixie major will have one or more candidates bidding for honors in the big ring next year. There is an abundance of likely big league talent in the Southern this season, and scouts have been as thick as bees around a hive all season giving them the up and up.

HERE'S PARTIAL LIST.

Tere's a partial list compiled off-hand of Southern league ball players who are going higher at the end of the BILLY MISKE.

At last Champion Jack Dempsey's first opponent has been named. He is Billy Miske, the St. Paul heavyweight, and not Brennan, Fulton or Willis, the three who had been prominently mentioned.

Miske has not fought in so long many fight fans had forgotten he was still in the game. Billy, though, is entitled to the first chance at the champion, as he is the only American heavyweight of prominence whe has fought Dempsey and escaped a knockout.

The St. Paul man fought Dempsey twice and lasted the limit on each occasion. He first met him in a tenround no-decision contest at St. Paul. Some writers thought Miske outvointed.

Some writers thought aliane the avyweight the man who later won the heavyweight crown.

They next fought at Philadelphia, six rounds being the limit. It was a few weeks after Dempsey knocked out Battling Levinsky and Porky Flynn in the same ring. The spectators expected Miske to get the same treatment from the gladiator who was knocking them all cold, but, much to their surprise Miske lasted to the finish.

Miske was at the finish, went to his a left-handel batter. But the fact that he is a left-handel batter. But the fact that he hits from the left side has not deterred other clubs from angling for the hits from the left side has not deterred other clubs from angling for him, and it is expected that within a kept on my feet to the finish. How I did it I do not know. Perhaps it was because Dempsey wanted to let me stay. Anyway, I stuck it out."

If that's the way he looked at it a year ago, possibly his only reason for consenting to meet Dempsey is that the full have been sensational all year. Many scouts who have passed through Memples have stated that Carroll was a much better outfleicer than Pat Duncan, former Birmingham fly-chaser.

NO OTHER CHICKS GOING. There are no other Tribesmen who are going up. It was believed at the beginning of the 1920 season that Pug Griffin, Chick left rielder, would be sent higher, but he has failed to stack up with the flashy playing that it requires to earn a shot at a big-time beeth.

erth. There are no other members of the eal outfit who have a chance. It is very evident that Tiny Goodbred failed to report to Manager Jack Lewis, of the Chicks, in New Orleans Wednesday. Jack said before he left that he would

ise the infant in the opener against the Pels, but Dazz-marine Vance went It would have been a good day for Pug Griffin to have ritched, as the Chicke piled up 16 runs, the worst drul-bing the Birds have had this season.

The Chicks were sore on account of four consecutive lickings by the Atlanta Crackers and took their spile out on the Pels.

BABE IN A SLUMP. Babe Ruth hasn't hit a home run is wo days.

The Chicage White Sox took a fall out of the Yanks in the series just closed, winning three out of four Little Pick Keyr, ex-Chick left-hander, hurled the last game for the Pale Hose, and kept them well in hand, including his nibs, Babe Ruth, socker extraordinary.

Babe got one hit, a single, off Dick in Wedinesday's game. And Dick gave Habe a swish at the pill on five occasions, not walking him even once.

TRAVELERS SLIPPING.

The Little Rock Travelers have come a decided halt since they have been the road. They were stopped in 1 onlings by the Birmingham Baros the Little Rockers fall out of first place for Kid Elberfeid's pitching staff is shot full of holes, and the is already finding it difficult to get by on his short staff.

It is a cinch that every club in the league is pulling against the Little Rockers and hoping that they fail to finish in the money. There are many reasons, chief of which was the effort to shove Casey Smith and Tom Seaten down the throats of Southern fans when they were undesirables.

Umpire Gifford failed to report Memphis and work with Umpire Pe Pfenninger. Buck Campbell filled in place to overflowing Memphis fans were bo

He is a tall, rangy lrish lad, with a world of courage, and is ready right now for a whirl against the best of them in the lightweight ranks. They had him practically matched with Leonard, but the champion hurt his leg and had to come East. Dundee, Mitchell and Tendler are the boys I am pointing Mr. Mahoney for.

Edwards is still a novice, but Walsh intends to try out the Jewish lad on some boys at East Chicago, Milwaukee and other points, thereby getting a line on his ability as a leightweight.

Kid Taylor of St. Louis will cross gloves in the second event with Battling Jackson. Both fighters are negroes and lightweights. The go will be one of the six round variety and plenty of action is also promised.

The third event of the evening will be between Kid Corbett and One Round Roth, both of Memphis who will clash by a six round scrap. Both has the reputation of hearing the referee count ten over five successive fighters who were placed in the ring against him before the gong sounded for the end of the first round.

The fighters for the fourth event, a four round affair, have not been chosen yet but will be announced later. The battle royal will be put on as the last event of the evening and will be between five big husky negroes.

Word from Dyersburg is to the effect that it matters not what kind of a ball ciub Billy Haack gets together to meet the fast hyersburg semi-pro outfit at Russwood park next Sunday, the hyersburgians are coming to Memphis confident of walking off with the contest.

The great run of victories the Dyersburg club has enjoyed since it started the season—41 out of 47 games played—has made local fans figure that the leam is one of the best in the country, and that it will be hard to get together an aggregation that can give them any kind of battle. But Billy Haack is busy and says the club he places on the field Sunday will give the visitors a bard battle, and more than likely defeat them.

A special train will probably be run from Dyersburg to Memphis, for fans all along the line are figuring on coming, and it is expected that nearly 1,000 out of town fans will be here to watch the two clubs clash. Haack expects to be able to announce his lineup in a day or two. The Dyersburg lineup will be the same as has been used all year.
